

2010 World Series Tournament

Host Family Assignments

August 6 - 12, 2010

The following are names of host families and contact information via email correspondence. We encourage the visiting teams to contact their respective host family prior to arriving in Gonzales for the tournament so that we may address any needs or concerns prior to Friday, August 6th.

We look forward to meeting the visiting teams and have them experience warm Southern hospitality at its best!

Good luck to all participants!
